#### About the Estate:

Created in 1864 and run by the CHOBLET Family for five generations, the estate is located 12 kms (7.5 miles) away from Nantes, nestled between the Atlantic Ocean, the Loire River and the Lake of GrandLieu. Winemaker Jerome Choblet cares for the estate with impressive attention to the unique expression of his terroirs and respect for the environment within the prestigious "Muscadet Côtes de GrandLieu" appellation. Dedicated to sustainable agriculture practices since 1980, certified TERRA VITIS and HVE 3!

Harvesting by night to preserve freshness and aromatics, grapes are destemmed and carefully sorted before fermentation at low temperatures. To express the richness and diversity of individual soils, each parcel is vinified separately in state of the art glass tanks (delivering a purity untouched by oak or stainless steel). Extended time "sur lie" develops texture, complexity, and enhances the aromas. This is Jerome CHOBLET's signature! Terroir expression without forgetting the most important: aromatic, fresh, and expressive wines!

You for sure know Domaine des HERBAUGES "Unoaked" Chardonnay but have you ever heard of - or even tasted - a Grolleau Gris wine? 900 years old grape, 1st one in the Loire way before Sauvignon and Chenin Blanc... Grolleau Gris does not even represent 300 acres on earth. **Domaine des HERBAUGES Collection Terroir Grolleau Gris** is a "Coup de Coeur" and simply irresistible. From young vines on soils of schist and pebbles, vinified with a hint of carbonation - expressing its earthiness - with good acidity to balance the tender, tasty fruitiness. The Grolleau Gris will first catch your eye with its unique rose-kissed color and once you'll taste... you will LOVE and never forget such a "gourmand" year-round wine, with an impressive aromatic length, for such a value. "Distinct & very refreshing" J. Molesworth. WS

**Tasting Notes:** ZESTY - FRAMBOISE - PEPPERCORN
