From the Estate:

"Located on the hillside of Combiaty, like a belvedere perched in the middle of the vineyards, at the heart of BEAUJOLAIS, our 17 hectares estate represents the 6th generation of winegrowers in the family whose know-how has been the only heritage. Artisans of the vine, it is a real passion that drives us, from working the vines to marketing our wines in France and abroad. The Estate now offers 6 of the 10 Crus of Beaujolais, Chardonnay and sparkling wines. All wines have the high environmental value certification.

It is undoubtedly in our vines, on our hillsides that we intensely have this unique feeling of being at the service of each of our vines. From pruning, hard work of 4 months, to working the soil, planting or even harvesting, manual work with several knowledges, makes our job rich and diverse.

The harvest is 100% manual. The particularity of our Domaine is the destemming of a harvest with an optimal phenolic maturity to obtain round and silky tannins. Our Cuvées are worked in carbonic maceration keeping all the typicity of each terroir. For our Gamay, long vatting periods of 14 to 21 days in temperature-controlled vats are preferred to extract color, aromas and tannins."

The Morgon "Cuvée Vieilles Vignes" comes from 3 parcels of old vine Gamay totaling 1 Ha (2.5 acres) on granite rocks and crumbly schist terroir. A serious and structured Morgon.

Tasting Notes:

This is a Morgon! So aromatic with black cherry and violets, then comes the powerful and generous palate. Rich and substantial, with lots of plump fruit and serious structure. Superbly extracted but velvety tannins!

Food Pairing:

Grilled veal, Boeuf Bourignon, or even... Wild mushroom hamburgers.
