About the Estate:

Created in 1864 and run by the **CHOBLET Family** for five generations, the estate is located 12 kms (7.5 miles) away from Nantes, nestled between the Atlantic Ocean, the Loire River and the Lake of GrandLieu. Winemaker Jerome Choblet cares for the estate with impressive attention to the unique expression of his terroirs and respect for the environment within the prestigious "**Muscadet Côtes de GrandLieu**" appellation. Dedicated to sustainable agriculture practices since 1980, certified TERRA VITIS and HVE 3!

Harvesting by night to preserve freshness and aromatics, grapes are destemmed and carefully sorted before fermentation at low temperatures. To express the richness and diversity of individual soils, each parcel is vinified separately in state of the art glass tanks (delivering a purity untouched by oak or stainless steel). Extended time "sur lie" develops texture, complexity, and enhances the aromas. This is Jerome CHOBLET's signature! Terroir expression without forgetting the most important: aromatic, fresh, and expressive wines!

Limited production from 2 old vines plots of 60 year old vines Grolleau Noir & 40 year old vines Gamay. Harvesting by night on purpose to keep the fresh red berry aromatics & perfect acidity. Cold skin maceration, before slow pressing, then long alcoholic fermentation, starting at 6c ending naturally at 13C, with permanent micro oxygenation & aging in tanks.

After a warm and fruity 2022, this 2023 vintage was a return to classic Loire, with all the freshness and balance that we know and love!
